

QUALITY POLICY

Iris (the 'Organisation') aims to provide products and services to its clients that are on time and within budget.

The Organisation operates a Quality Management System that has gained BS EN ISO 9001 : 2015 certification, including aspects specific to the provision of management, engineering, design and other related services.

The management is committed to:

1. Develop and improve the Quality Management System
2. Continually improve the effectiveness of the Quality Management System
3. The enhancement of client satisfaction

The management has a continuing commitment to:

1. Ensure that client needs and expectations are determined and fulfilled with the aim of achieving client satisfaction
2. Communicate throughout the Organisation the importance of meeting client needs and all relevant statutory and regulatory requirements.
3. Establish the Quality Policy and to set Quality Objectives at relevant functions, levels and processes
4. Ensure that the Management Reviews set and review the quality objectives, and reports on the Internal Audit results as a means of monitoring and measuring the processes and the effectiveness of the Quality Management System
5. Ensure the availability of resources

All personnel understand the requirements of this Quality Policy.

The structure of the Quality Management System is defined in the Quality Manual. Staff will be trained in the aspects of the Quality Manual relevant to their role.

The Organisation complies with all relevant statutory and regulatory requirements.

The Organisation constantly monitors its quality performance and implements improvements when appropriate.

This Quality Policy is regularly reviewed in order to ensure its continuing suitability.

Copies of the Quality Policy are made available to all members of staff. Copies of the minutes of Management Reviews, or extracts thereof, are provided to individual members of staff in accordance with their role and responsibilities as a means of communicating the effectiveness of the Quality Management System.
